KEYNOTE SPEAKER · LEADERSHIP

Daniel Gold

Your managers were promoted for performance. Daniel trains them to lead.

Attorney and practice builder with twenty years leading teams through high-stakes change in law and technology.

"The best leaders make themselves unnecessary."

THE GSL THESIS

20+	years leading teams through high-stakes change	80+	episodes of the Gold Standard Leadership Lab	6	years building a national practice from scratch

SIGNATURE KEYNOTES

01 The Golden Leadership Cycle

Leaders leave knowing where their team sits in the cycle and what the next stage requires.

02 Make Yourself Unnecessary

Managers leave with a plan to hand off one decision they own, starting the next week.

03 The Reps

A small set of daily habits that keep judgment steady when the pressure rises.

04 Leading When AI Advises

Executives leave knowing when to trust an AI recommendation and when to override it.

BUILT FOR

Leadership offsites · Sales kickoffs · Management development · Association conferences · Executive retreats

FORMATS

Keynote · Breakout · Fireside chat · Panel moderator · Virtual

Bring Daniel to your stage.
